ALBANIA

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or EACEA. Neither the European Union nor the granting authority can be held responsible for them."

- Luarasi University is a private higher education institution offering fulltime studies in four faculties: Law, Economics, Information Technology & Innovation, and Medical Sciences.
- The university provides studies in two cycles: Bachelor and Master (Scientific and Professional), with a total number of 1800 students and 180 academic staff for the academic year 2022-2023.

- The university has signed agreements with universities in Europe and the region, including exchanges with Adriatic neighbor countries, Turkey, and Balkan countries like Serbia, Bosnia, Hercegovina, Montenegro, North Macedonia, and Kosovo.
- The university promotes mobility, knowledge-sharing, and horizontal links between HEIs, scientific research institutes, public and commercial organizations, governmental and non-governmental organizations, and other stakeholders.

LUARASI UNIVERSITY AND 1FUTURE

- Luarasi University is committed to integrating some topics in the current courses it offers in some of the study programs in 3 Faculties related to Green Deal, climate change, sustainability, climate resilience etc.
- Luarasi University will also be one of Albania's higher education institutions where a **Knowledge Hub for Climate and Sustainability (KHCS)** will be built.
- Luarasi University is the leader of WP6 Dissemination.
- Luarasi University has a cooperation agreement with Focus Media Group and is part of Panorama Group, which guarantees an important presence in traditional and electronic media (News 24, Panorama TV, Panorama Newspaper, Gazeta Shqiptare, BalkanWeb, Radio RASH, Revista Psikologjia). to increase visibility at the national and international level.
