Recommendation for Hub organization and sharing of best experiences

STUDY VISIT
ASSOCIATION GNP

*Date: October 13th, 2023
Place: Eberswalde, Germany*

Co-funded by the
European Union

Recommendation for HUB organization

- STATUTE Article 8: Activities of the Associations are:
 - organization of scientific-research associations, congresses, symposiums, conferences, seminars, workshops, round tables and tribunes,
 - publishing activities,
 - educative activities,
 - international cooperation.

- The HUB will be located at the Faculty of Civil Engineering in Podgorica, University of Montenegro and will be open to all interested users from business and academia.

Sharing of best experiences

- Collaboration with the Laboratory of the Faculty in research projects
- Collaboration with the business sector (Sustainable businesses)
- Promoting innovative research projects
- Empowering students for knowledge exchange and innovation in Climate and Sustainability
- Creating better conditions for university staff and exchange students
- Connecting the private sector and the academic community through the organization of seminars, presentations and joint participation in projects in the field of Sustainability and Climate changes

Thank you for your attention
